Dear YMCA Friend,

It is with great excitement that we invite you to support the 2026 Annual Campaign of the Fort Madison Family YMCA.

Since 1965, the Y has been a vital hub for healthy living, youth development, and social responsibility. This year, we're aiming to raise \$55,000 in support of the programs and services that continue to strengthen individuals and families throughout Fort Madison.

Your generosity helps ensure that the YMCA remains accessible to all, regardless of financial circumstances. Donations provide critical financial assistance, giving more kids and families access to programs like swimming lessons, youth sports, summer camps, and membership opportunities that promote growth in body, mind, and spirit.

We believe that with the support of local businesses, YMCA members, and community leaders like you, we can reach our goal and continue strengthening the community we all care about.

Your support builds a stronger, healthier community, one life at a time.

As a past supporter, we're truly grateful. To help meet rising program costs and growing community needs, we ask you to consider increasing your gift this year. Your continued generosity ensures the Y remains a place of opportunity, inclusion, and belonging.

On the back side of this flyer is a pledge form for your convenience. Or please visit us at fortmadison.org to give or learn more. Thank you for standing with us and supporting the mission of the YMCA.
